

Why be a **shopaholic**, when I can be **thrifty** instead?

Rediscovering things rather than
buying new ones

A good life is simple. **overdeveloped.eu**

40 percent of clothes are stuck in
the wardrobe unworn

90 million children work in cotton industries
according to UNICEF

20 thousand liters of water are used to produce
a single T-shirt

2015 European Year for Development

Climate Alliance
